

Bridport Central School Newsletter

January 5, 2012

Welcome back!

Here we are in a New Year, with a fresh start! This month we call it "RE-Month"...we will be REvisiting our class expectations, routines, and problem solving together. This is an opportunity to REmind all of us how to work together and learn together!

We look forward to continuing our "7 Minute Writes" that we do together as a whole school once a week. The writing prompt provides a common starting point for us all to respond to. After I read each and every response 5 students and 1 staff member are selected to share their writing from the author's chair on Friday at our whole school "Celebration of Learning". Our writing has shown growth and increased detail already in the past 6 weeks! Ask your student about this past Wednesday's prompt.

This is a Reminder to please send your child in warm, cozy clothes for the winter season. We do go outside (unless the wind chill is below zero) so please be sure the children bring hats, mittens, and boots. We do have extra hats and mittens that we can provide to students, that they then can keep in their cubie or classroom (as we are not sharing hats among students).

The Salisbury School is offering a **FREE parent workshop** on Act I and Healthy Sexual Development in Students on Jan. 11th at 5:00-7:00pm. Childcare is provided during this free workshop. Please call Salisbury School at 352-4291 to sign up.

As always, please feel free to contact me with any questions, comments, or wonders at 758-2331.

Happy New Year!

Miss Kilbourne

Principal, Bridport Central
