Playground Yard Sale Needs You!

The yard sale usually generates \$2,000 and is the only fund raiser we are having this school year for the playground. 100% of the money generated on May 21 and 22 will go to the playground.

We need additional help on Sunday, May 22nd! If you have an hour (or more) and can join us between 8:30 and 1:00, we need help selling the items and baked goods. If you are available after 1 pm we can use help clearing the gym and returning tables to classrooms, etc.

The funds will go toward phase III, small playground equipment for the preschool aged children. We'd also like to see a pavilion and picnic tables added to the Community and School Playground.

Our school staff has volunteered for Wednesday through Friday afternoon to accept and set up yard sale items. On Saturday staff members will be running the yard sale. But we do not have enough staff to cover Sunday too. Our students and other children (of all ages) in the community would be appreciative of your support in this fund raising event. Please call the school, or send a note as to when you can spare some time to help out.

Killdeer on the Grounds!

A pair of Killdeer has nested in the rubber chips under the swings. We marked off the area and the students have maintained a respectful distance. Four young Killdeer hatched. Their mother is busy feeding them and chasing them back to the nest when they wander away! (Sound familiar?)

UPCOMING EVENTS - Listed on the Back!

Bridport Central School
