

BRIDPORT CENTRAL SCHOOL

3442 VT Route 22A
BRIDPORT, VERMONT 05734

AREA CODE 802/758-2331

October 27, 2011

Dear Bridport families,

Chat and Chew: will be held on Tues. November 8th from 6:00-7:00 (just prior to the board meeting) in the library. This is an opportunity to talk with me (Ms. Kilbourne) informally to ask questions, share ideas, and comments in a small group setting. I will be available with no set agenda to chat about whatever is on your mind about school and the education systems in Bridport. Parents, taxpayers, and extended family members welcome. I look forward to talking with you soon!

PTO: Congrats to the new PTO officers (see attached) who were elected at the last PTO meeting! A special thanks to all those who have served for many years on the past PTO leadership team. Would you like to get more involved? Have you considered a leadership role? We are **in need of a President for PTO**...training and transition time provided. Please speak with myself or any of the newly elected officers if you are interested in leading us through a successful year. Our membership continues to grow. We have 20 plus people involved so far! Invite a neighbor, friend, or relative to come with you to our next meeting on November 15th from 7:00 -8:00 pm. Daycare and snacks provided!

Basketball Coaches and Volunteers Needed: Do you have time and athletic ability? We are seeking folks who would like to organize and support the basketball program at BCS this winter. Please contact Kathleen (by 10-31-11) with your time availability, and interest in helping our children to have a BB Team this year.

Welcome to Aili McGill who will be working in our 3rd grade classroom with Ms. Onufry! We are glad she is here!

As always feel free to call me with questions and comments at 758-2331.

Best,

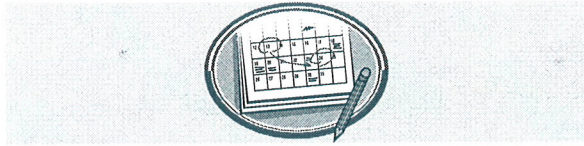

Kathleen Kilbourne

Principal
